OMG

Choose the quality of Murano Glass

We can realize great quantity of elegant artworks that you can give to your best clients, or to gratify your employee, without losing our high handmade quality.

Original Murano Glass OMG®

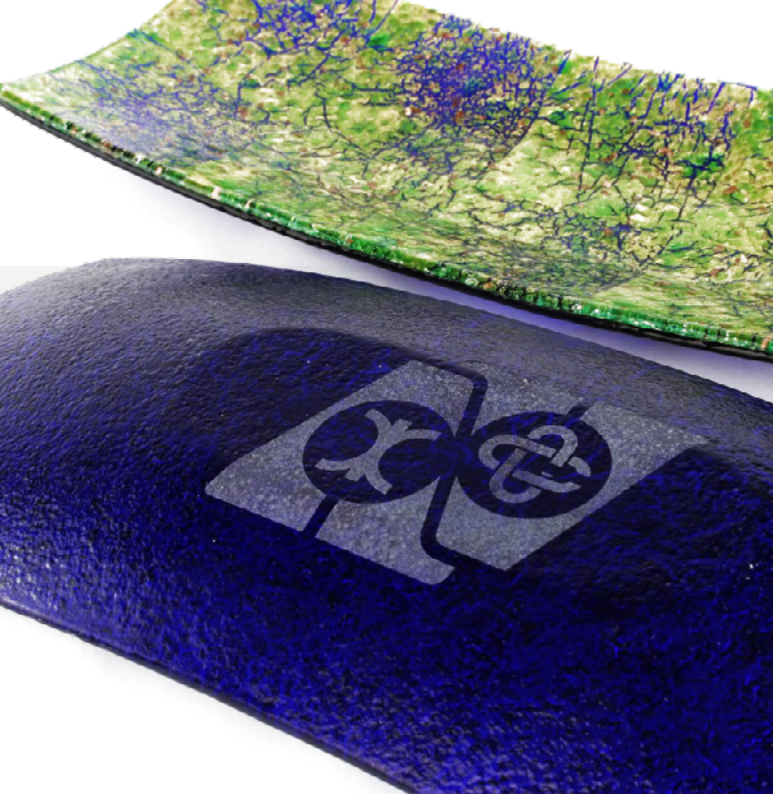

A unique gift box

We wrap every artwork in our box Original Murano Glass® but you can choose your own box with your company logo on it, through gold leaf print, sticker or pressure printing.

Sandblasting

We can draw your company logo directly on glass with the sandblasting technique: high pressured sand hits a plane surface of the glass creating an opaque contrast with the glossy Murano glass. It is a really refined way to impress your guests.

Engraving & decorations

To create a no-replicable gift there's our custom service of hand engraving with a diamond drill or with hand painting in pure silver or gold leaf.

Certificate of Originality

Our artworks are certified with an official paper that guarantees their real origin and manufacturing authenticity.

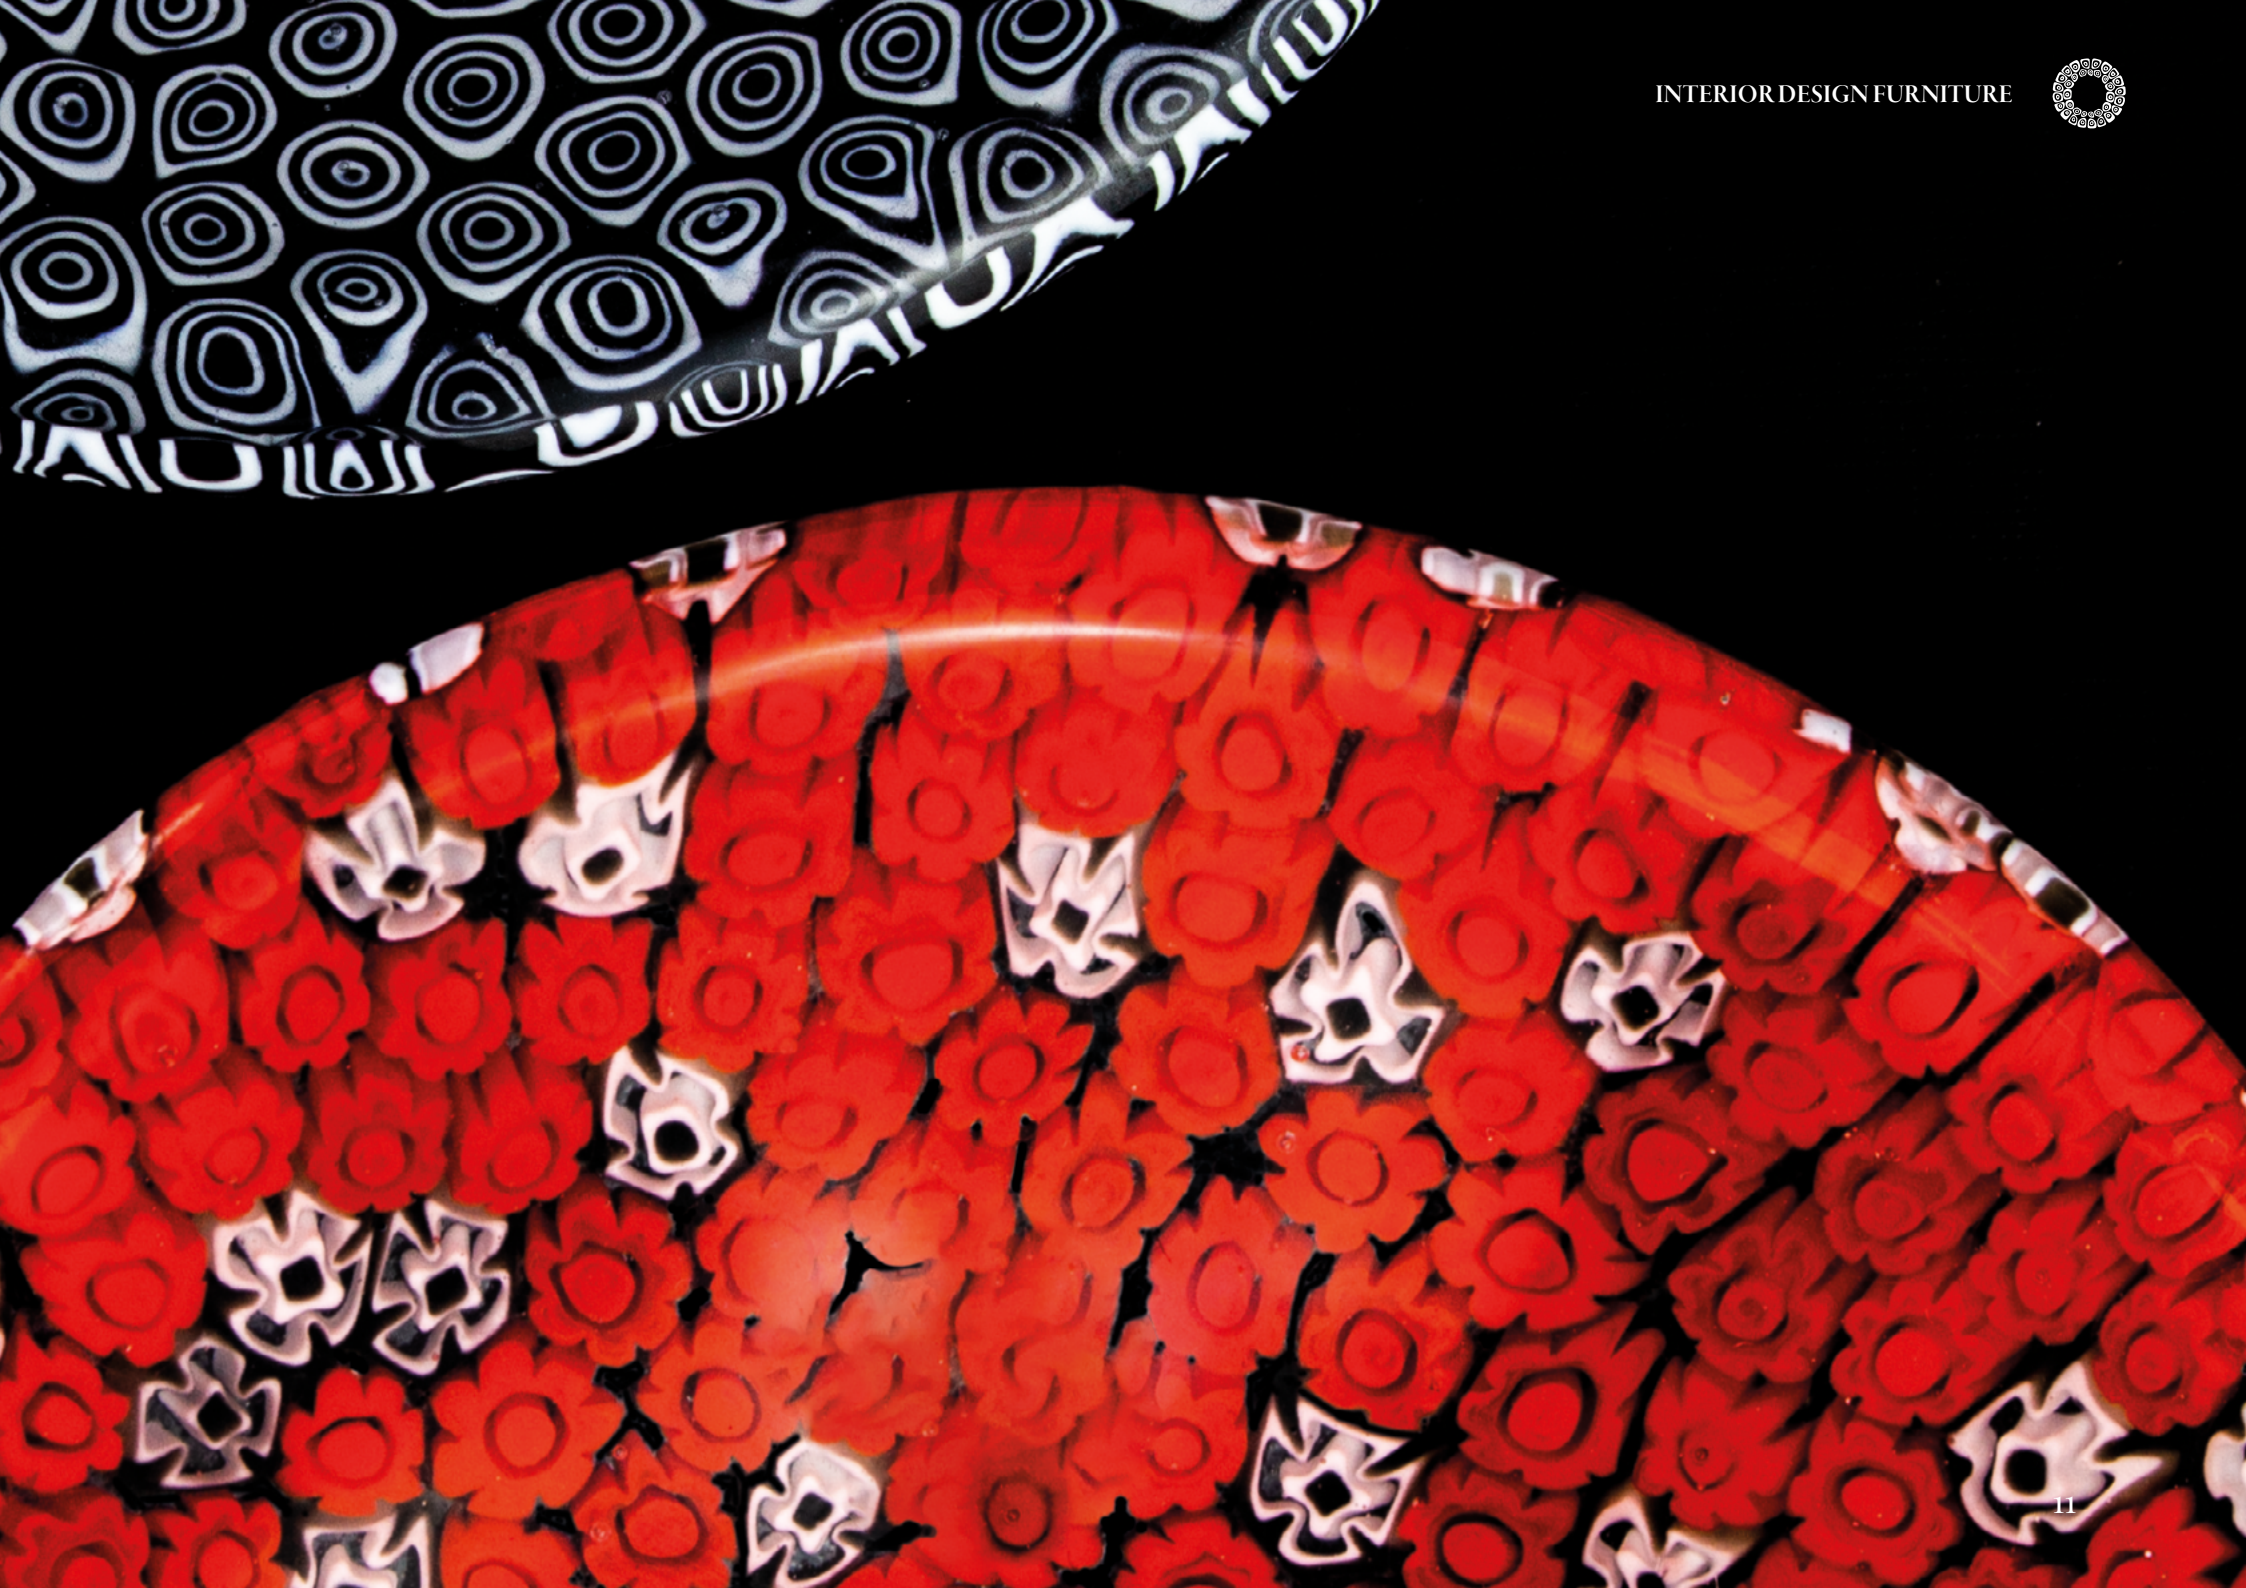

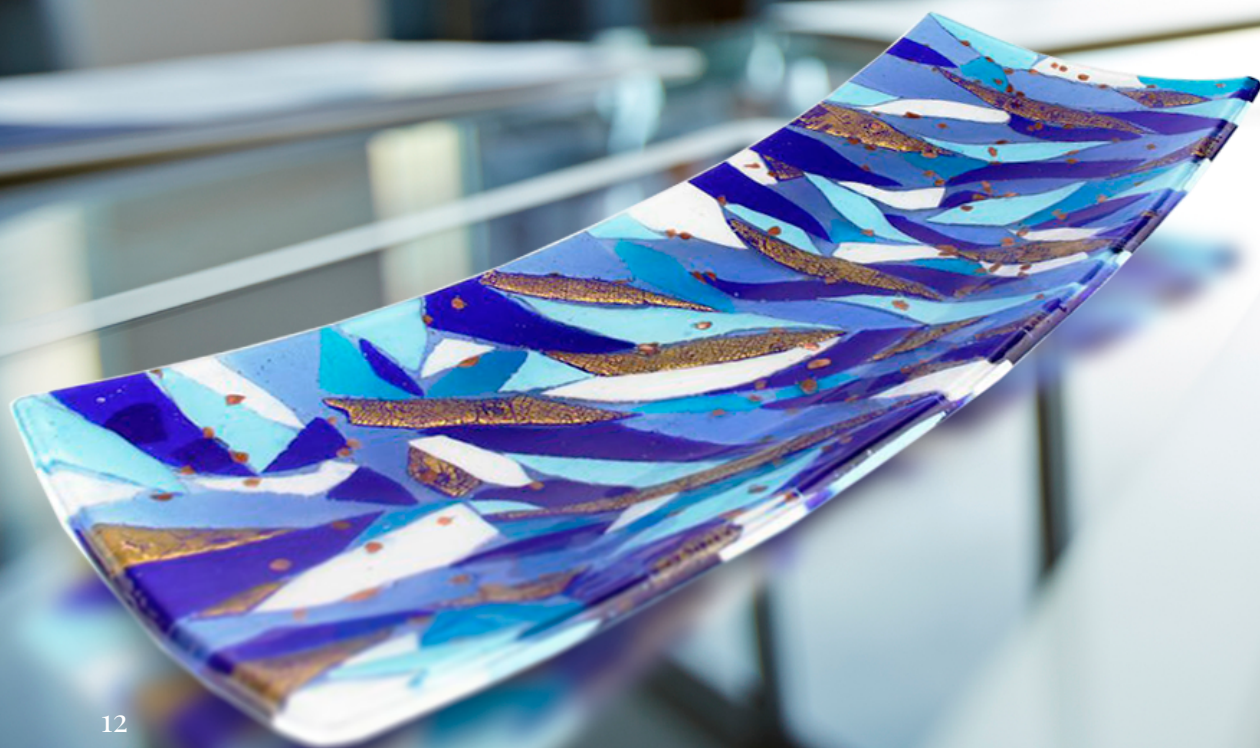

Holographic Logo

Each piece has our holographic logo to assure you the absence of falsifications. Using the QR code you can register your artwork and create an electronic certificate we are going to save in our database.

Original Murano Glass® significa qualità, stile e raffinatezza. Questi sono alcuni dei pezzi più esclusivi fatti a mano con tecniche tradizionali, la cui origine ed inconfondibile autenticità sono certificate. Eventuali lievi irregolarità, leggere differenze di spessore e rare bolle d'aria non sono da considerare come difetti, al contrario dimostrano che sono fatti interamente a mano, ne confermano il prestigio e l'unicità della creazione. Ci complimentiamo per aver scelto le nostre opere, la rappresentazione di una tradizione di distintiva sensibilità artistica ed espressione culturale.

Original Murano Glass® means quality, style and sophistication. These are some of our many exclusive hand-made pieces, crafted using traditional techniques, whose origin and unmistakable authenticity is hereby certified. Any slight irregularities, light differences in thickness and rare air bubbles are not to be considered as defects, but on the contrary bear witness to the fact that they are made entirely by hand, and confirm the prestige and uniqueness of the creation. We compliment you on your choice of our work, the representation of a tradition of distinctive artistic sensitivity and cultural expression.
